------------------	----------------------------	---------------------

1. ORIGIN & CUSTOMER DETAILS

Complaint Source	Email / Customer Service
Customer Name	Acme Nutraceuticals Pvt. Ltd.

2. PRODUCT & BATCH IDENTIFICATION

Product Name	Vitamin C Premix 1000
Product Strength / Grade	1000 mg / Food Grade
Batch / Lot Number	VC1000-B260817
Manufacturing Date	17 Aug 2026
Expiry Date	16 Aug 2028
Quantity Affected	250 kg

3. COMPLAINT DETAILS

Complaint Type	Product Quality – Appearance / Caking
Complaint Date	10 Sep 2026
Detailed Complaint Description	Customer reported that multiple bags from the supplied batch contained visible caking and hard lumps. The product was difficult to discharge during normal handling. No adverse health effect was reported. Customer requested investigation and replacement of the affected quantity.

4. INITIAL ASSESSMENT & PRIORITY

Initial Severity	Minor	Major	Critical	
AI Assessment	✓			
Priority	Low	Medium	High	Critical
AI Assessment		✓		

AI Risk Assessment Summary: Reported caking appears to be a quality/non-conformance issue. Based on the available complaint information, no immediate safety or health impact has been reported. QA should verify retained samples, batch records, storage conditions, and distribution conditions before final disposition.
